ENJOY THE THERMAL JOURNEY EXPERIENCE AT OUR SPA

Your journey begins in our Salt Inhalation Room, a warm and gentle heat, 5 - 15 minutes maximum.

Bring your body temperature back down using the Ice Fountain. Simply rub the ice all over your body. The combination of hot and cold will boost circulation.

Sit back and relax in the Dry Heat Sauna which will alleviate stress, soothe muscle aches and pains, 5 - 15 minutes maximum.

Enjoy a refreshing Cool Mist in the Thermal Shower. Allowing your body temperature to lower using water therapy, leaving you feeling rejuvenated.

The next truly warming and therapeutic experience, awaken your senses in the Aroma Steam Room. Complete with

seasonal aroma, ranging from; eucalyptus, lemongrass, citrus, cinnamon plus many more! Fantastic for anyone suffering with seasonal allergies and headaches.

For your invigorating finish, step back into the Thermal Shower and experience the Southern Storm. A mixture of powerful massaging jets and cooling mist combined, the ultimate uplifting experience.

From there you can soothe your aching muscles within the Plunge Tub Room. Including a hot tub, warm tub and cold plunge tub. Perfectly placed jets will ease away aches and pains, leaving you feel relaxed and stress-free. Take a magazine from the snug and allow yourself to drift off on one of our loungers or swing chairs.
